

Balcrank

Quick Mounting Bracket Kit

Model 2230-024

Product Description

The purpose of this kit is to facilitate the field installation of a Balcrank Signature® Classic, Evolution and Premium hose reels.

Applicable Models

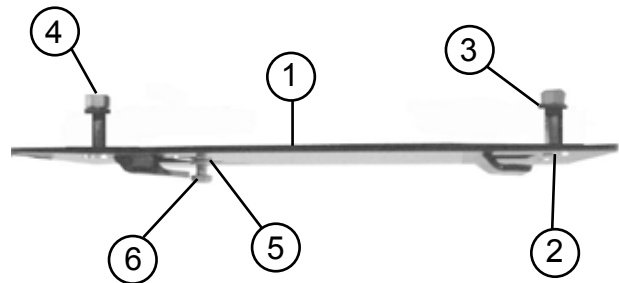

The Mounting Bracket Kit is designed to be used on the following Signature® Series hose reel models: Classic, Evolution and Premium (**not for use with any other models**).

Hardware Installation

1. Use the enclosed flat head screws (3), hex nuts (5), lock washers (4) to Install quick mount plate.
2. Lift hose reel into contact with mount plate and slide into locked position. Install 5/16"-24 locking bolt (7) and lock washer (6) into locking hole to complete installation.

Parts List

Item	Part#	Description	Qty
1	831498	Quick Mount Plate	1
2	831302	Screw 3/8"-16 x 1-1/2"	4
3	813903	Lock Washer 3/8"	4
