

Re: Electronic Preset Meter

In reference to the models available for the EP (Electronic Preset) meter, there is an error in the catalog. The correct models available are:

3331-031 - Rigid w/ 1/4 turn for OIL

3331-032 - Flex Memory for OIL

3331-033 - Bare

Updated catalog page and service bulletin have been added to the website.
